

Gyan Kiran Foundation

A Ray of Hope for:

Under Privileged, Poor & Socially Sick

AIM

Gyan Kiran Foundation is a group of like minded professionals from various sectors with an AIM to provide the following to under privileged:

- To Start With –
 - Education
 - Counseling
 - Medical Consultations
- Long Shot –
 - Rehabilitation
 - Old Age Support Network
 - Destitute / Estranged Support Network
 - Orphanage
 - Marriage of Poor Girls
 - Scholarships

VISION

Be an umbrella Organization to:

- Run its own projects like
 - **KnOW** (Knowledge On Wheels)
 - Vocational Training (U Can Do It)
- Support other smaller organizations in their projects, regularly
- Create a corpus to execute projects like -
 - Scholarships for Meritorious Students
 - Marriage of girls in economically weaker society
 - Support Networks for Destitute, Old Age, Orphans, etc.

Next Steps

- ❖ A Regular stream of funding from corporate, individuals and friends
- ❖ Provide wooden benches and tables for students to seat up to 50 students
- ❖ Provide sectioned steel plates and tumblers for meal for 50 students
- ❖ Provide water dispenser so that visitors, teachers, and students have filtered water
- ❖ Provide Computer Training (Basic) to eligible candidates through a training institute in Vasundhara, Ghaziabad (U.P)
- ❖ Provide Vocational training like embroidery, fabric painting etc. to ladies
- ❖ Provide Vocational training like plumbing, welding, electrician etc. useful in industry to older boys and gents.
- ❖ Provide books according to their current skills based on CBSE curriculum
- ❖ Create alliance with lower Public schools so that they can follow regular school
- ❖ Find sponsors for the meritorious students who will be transferred to public school
- ❖ We are talking to Polytechnic institute in Delhi to provide industry based trainings
- ❖ We are also trying to loop in the neighbouring industrial sectors to get the skills required so that our trained people get jobs immediately
- ❖ Start a Gyan Udayalay in Delhi slums where the running cost will be higher
